PROFILE

Results-driven Social Media Manager and Video Editor with 3+ years of experience building and scaling content for high-growth creators and channels. Took an Instagram page from zero to 250,000+ followers in three months while overseeing shoots, scripting, an editing team, and overall content strategy. Equally skilled across formats — from high-retention Shorts and Reels to long-form YouTube videos and podcast editing — using Adobe Premiere Pro, After Effects, CapCut, and Canva. Also proficient in AI-assisted workflows, including image generation, script generation, and prompt engineering across various AI editing tools to speed up production without compromising quality. Known for turning raw footage into polished, brand-aligned content under tight deadlines, backed by a strong grasp of storytelling, pacing, and audience retention.

PROFESSIONAL EXPERIENCE

Priti Srivastava (@unscriptedpreeti) — Astrology, Vastu & Spirituality Creator <i>Social Media Manager & Video Editor</i> • Built and launched the Instagram page @unscriptedpreeti from scratch, growing it to 250,000+ followers in 3 months while driving 95M+ monthly reach. • Grew the account's Facebook page to 55,000+ followers (10M+ monthly reach) and its YouTube channel to 16,000+ subscribers in the same 3-month period. • Hired as Video Editor; promoted to Manager in recognition of the growth delivered and overall performance. • Oversee the full content pipeline — arranging shoots, scripting, managing the editing team, and driving content strategy. • Write awareness-led scripts across astrology, health, and spirituality that consistently push individual posts past 1.5M+ views. • Expert in editing and producing long-form YouTube videos and podcast episodes end-to-end — multi-cam syncing, pacing, and audio cleanup — and repurpose them into high-performing short-form clips.	06/2026 – Present Lucknow, India
MrHighThink — YouTube Channel (Mayank Kushwaha) <i>Video Editor & Camera Operator</i> • Edited and produced Reels, Shorts, long-form videos, and podcast-style interview content for a YouTube channel with 53M+ monthly views. • Managed complete post-production: cutting, sequencing, transitions, colour grading, audio syncing, sound design, and motion graphics.	04/2024 – 05/2026 Lucknow, India

- Handled camera operation, shoot setup, lighting, and on-location shoots to ensure professional-quality footage.
- Used AI-powered tools for colour grading, noise reduction, upscaling, auto-captioning, and content repurposing to boost editing speed and output.
- Optimized pacing and format across Shorts and long-form videos to maximize retention, supporting the channel's growth to 53M+ monthly views.
